

Instruction of China Compulsory Certification Mark Usage
(Safety Belts of Motor Vehicles)

1. Use of CCC mark

The applicant shall strictly comply with the Management Requirements of Certification Mark for Compulsory Product Certification, which is the attachment of Announcement on China Compulsory Product Certification Mark Reform by CNCA (Announcement No. 10 of 2018).

2. Design of the mark allowed to use

The mark should be applied in the way of printing/pressing.

It is allowed to adopt standard-size mark printed in a uniform manner for after-sales repair spare parts.

3. Other special requirement

The mark should be sewed on the strap adjacent to the safety belt anchorage, or directly printed/pressed on the non-stressed position of safety belt assembly (buckle included).

Certification mark shall be persistent and clear/visible without damage of vehicle and certified products.
