

## Instruction of China Compulsory Certification Mark Usage

### ( Motor Vehicle Tires)

#### 1. Use of CCC mark

The applicant shall strictly comply with the Management Requirements of Certification Mark for Compulsory Product Certification, which is the attachment of Announcement on China Compulsory Product Certification Mark Reform by CNCA (Announcement No. 10 of 2018).

#### 2. Design of the mark allowed to use

The mark should be applied in the way of printing/pressing.

#### 3. Mark position

Certification marks and factory codes should be molded on the tire sidewalls, and at least on the outer sidewall for motor vehicle tires that are internally and externally distinct.

#### 4. Requirements for factory code

Factory codes should be molded on the tire sidewalls.
