Instruction manual for the Omani Energy Efficiency Label

阿曼能效标签使用须知

Instruction manual for the Omani Energy Efficiency Label

1. 阿曼能效标签必须贴在空调设备（单元）的正面 The Omani Energy Efficiency Label shall be adhered, on the front of the unit.
2. 可以同时在外包装上加贴阿曼能效标签，但是当从包装中取出设备（单元）供展示时，设备（单元）上应贴有阿曼能效标签 Additional label may be attached to the exterior of the packaging. The Omani Energy Efficiency Label shall be existed on the unit when the unit is removed from its packaging for display purposes.
3. 阿曼能效标签应带有自粘胶，并应切割成图 1 所示的形状 The Omani Energy Efficiency Label shall be self adhesive, and shall be cut to the outline shown in Figure 1.
4. 阿曼能效标签制作尺寸要求见图 2，可接受在标签周围留下最多 5 毫米的修剪或模切边。 Figure 2 shows the dimensions of the Omani Energy Efficiency Label. A trim or die cut margin of up to 5 mm around the label is acceptable.
5. 制造商可自愿选择注册 1/2/3 年，但每年都需要在能效标签到期日之前 2 个月内通过阿曼能效标签注册网站 (<https://dgsm.gso.org.sa/eer/>) 进行年度再确认。*(注：制造商自愿选择提前支付 2 年或 3 年注册期的费用，并不能免除每年重新确认的要求。)* Payment can be done for registration periods of 1 year, 2 years or maximum 3 years as option available to the manufacturer. The reconfirmation of registration for the Energy Efficiency Label shall be performed by the manufacturer through Omani Energy Efficiency Labeling Registration Portal (<https://dgsm.gso.org.sa/eer/>) every year within 2 months prior to the annual expiry date. *(Note: voluntary choice by the manufacturer to pay in advance for 2 years or 3 years registration term does not waive the requirement to reconfirm the registration each year.)*
